

St. Alphonsus School News

Second Term - March 2017

From The Principal

Hello Neighbour!

Although the spring season officially begins this weekend, Winnipeggers have a more pragmatic view of spring: we need the snow to go in order to declare an end to winter, and even then we are not entirely convinced, having been fooled before by April blizzards. As the snow begins to melt, we start to look for the harbingers of spring, from pussy willows to robins to pre-season baseball. Although I take heart at the natural signs of the impending season, one of the main indicators of spring for me is the re-emergence of neighbours.

All winter long we shuttle between our vehicles and houses with as much speed as possible. If by chance we see the people who live around us through our scarves, toques and parkas, we acknowledge them with a curt nod or quick hello. Once the frigid weather passes and we are able to move around the yard again, we find the time to catch up, chatting over the fence or meeting people as they walk their dogs. A feeling of community and connection flourishes along with the crocuses. It is almost like a spiritual thaw takes place alongside the physical one, and it allows us to extend ourselves out to our physical neighbours and to the world beyond.

This year our Lenten theme is, *Who is my Neighbour?* The question comes from the introduction to the parable of the Good Samaritan in Luke's Gospel. A person who had training in the law asks Jesus how he can achieve eternal life. Jesus, sensing that the man already knows the answer, asks him what the law says. The answer comes, "Love the Lord your God with all your heart, with all your soul, with all your strength and with all your mind, and love your neighbour as you love yourself." The man pushes further, asking Jesus, "Who is my neighbour?" Jesus' answer comes in the form of the famous parable of the man hurt on the roadside. Many people pass by, but no one comes to his aid, except for the proverbial Samaritan. It is important to note that the Jewish people of the time did not regard Samaritans as friends. In normal circumstances Jews and Samaritans would not have spoken to each other; in extraordinary circumstances, the person that the injured man would have despised saves his life.

In his parable, Jesus chooses to have the injured Jew rescued by a Samaritan to illustrate his point more clearly. It is our actions, rather than our proximity or similarity to others that make us "neighbours". The global nature of our society and lightening speed of media allows us instant access to the suffering of people from Syria, Sudan, Korea, and Afghanistan. These international neighbours need our support along with our neighbours at the Bravestone Centre and the senior whose snow you shovel. It is our compassion, caring and kindness that makes us neighbours with the people on our street, in our city and country and around the world. It's not always easy being a good neighbour in our world, but we all know how right it feels and how thankful we are when someone is a good neighbour to us!

As the coming season of spring warms the earth and brings it to life again, may the message of this parable enlighten us on our Lenten journey and enliven us to live as true neighbours in our communities and in our world.

Peace,

Christine McInnis

Looking Back

December

Our Advent assemblies allowed us to spend some time in quiet reflection in all the hubbub of preparing for the concert and the great feast of Christmas.

We held our annual **Gift Wrap** on December 6th. This event has been a long-standing tradition at our school, with good reason: wrapping gifts for kids in need gives us a warm feeling in our hearts, while the hot chocolate provided by PALS has the same effect on our tummies. The gifts that were gathered for local missions were gratefully received.

Our **Christmas Concert** was a great success. The kindergarten students to grade six students performed in *So you want to put on a Christmas Concert?*, an original play written and directed by Mr. Cox. The play told the story of a group of elves who want to learn how to put on a Christmas Concert for Santa and Mrs. Claus, but need some help. They enlist the services of S.I.C.C. (Society for the Improvement of Christmas Concerts), who help them find the essential elements in awesome concerts.

January

Our annual **Open House** took place on Sunday, January 29th. It was well attended by prospective parents and students. Of course, the school looked great thanks to the efforts of our custodial staff, but the most attractive thing about our community is our people. Thank you to all the parents, students and staff who came out, answered questions and made the new people feel welcome. Your commitment speaks volumes to people looking for a school community.

February

February was **I Love to Read Month**. This year we entertained many guest readers including Doug Speirs, Taz Stuart and Brody Jackson. Our grade three class was visited by our Lieutenant Governor, Janice Filmon. Each visi-

tor brought an unique perspective on literacy and its importance, as well as his/her passion for reading. Thank you to Patti Resendes for contacting all the readers and coordinating the visits.

Catholic Schools Week took place from February 12-17th. The week was full of fun activities including bowling, curling, the Children's Museum and swimming. The weather was even on our side for our Harbourview outing this year, a rare treat!

Our grade seven and eight students went to Holiday Mountain for a Ski Trip on Friday, February 24th. It was a fabulous day, weather-wise, and despite a couple of injuries, everyone from the novice skiers to the experienced boarders enjoyed the trip.

March

We had our **Ash Wednesday** prayer service on the 1st. The students, staff and parents in attendance listened, prayed and sang together. Our grade eight friends acted as ash ministers and helped to maintain the spirit of reverence to mark the beginning of Lent.

Looking Forward

April

Gala 28 will take place on Saturday, April 29th at the Fort Garry Hotel and Conference Center. Orders are now being taken for Gala tickets, which will be available for pickup after the break. Be sure to get your tickets early for this great event. Further information on Gala is included in this newsletter.

May

Uniform Fitting will take place on Tuesday, May 16th from 3-7 PM. Representatives from Top Marks will be on hand with samples to try on. They will be able to answer any questions parents have and provide assistance with sizing uniforms.

May (cont'd)

Our grade seven and eight students and staff will be heading off to **Winkler Bible Camp** from **May 10-12** to enjoy the fresh air, to try some new activities and to enjoy the bonding that comes from spending time in the great outdoors.

We are hosting **Kindergarten Orientation Evening** on **Tuesday, May 17th**. The evening will provide parents and students with an opportunity to meet the kindergarten teacher, hear about the program and explore the classroom. Parents will be provided with information on readiness activities that will assist them as they help their children prepare for September.

After they return from camp, our junior high students will be preparing through May for their annual **Spring Theatre** which will take place on Thursday, May 25th at St. Alphonsus Parish Hall. Parents, family and friends are welcome to join us.

June

June will arrive very quickly, bringing another school year to a close.

We are hosting **Nursery Orientation Evening** on **Tuesday, June 7th**. The evening will provide parents and students with an opportunity to meet the kindergarten teacher, hear about the program and explore the classroom. Parents will be provided with information on readiness activities that will assist them as they help their children prepare for September.

Be sure to mark your calendars for our **Family BBQ** on **Thursday, June 22nd**.

Our planning committee is busy planning for this year's **Fun Day**. Although we haven't finalized any activities, we wanted to give parents the head's up to book the date (**Friday, June 23rd** if you are interested in joining us this year. Please watch for more information coming home as our plans firm up.

This year our **Kindergarten Farewell** and our **Grade Eight Farewell** will be held on Wednesday, June 28th at 1:00 PM and 6:30 PM respectively.

Save the date for the Third Annual

Run to the Empty Tomb 5km Fun Run/Walk

Saturday, May 27th,
More details to come after Spring Break.

Blankets Requested

Development and Peace - Manitoba requests your help to collect blankets to assist with their Blanket exercise workshops.

As this exercise becomes more popular we are having to put together additional workshop kits. Each kit requires approximately 20 blankets.

Please send any blankets you wish you donate into the school. We will direct them to Development and Peace.

If you are curious about the Kairos Blanket workshops, please visit: <https://www.devp.org/en/blog/national-day-prayer-solidarity-indigenous-peoples>.

From the Gym

It has been a very active term here at the school. The students are enjoying being physically active through their gym classes, intramurals, extra curricular sports and special events.

The primary classes have continued to work on moving safely in the gym. We have been playing lead-up games for a variety of different sports and are developing a sense of fair play. We are learning to use a variety of equipment. Our elementary friends have been playing basketball lead-up games, participating in fitness challenges and enjoying a variety of low organized games that emphasize movement in sport. As well, they are developing the concept of team play. Our older students have been playing basketball and playing both singles and doubles badminton. With any luck, spring will stay sprung and we can head outside to enjoy some of our physical education classes.

Catholic Schools Week was a great success from an active lifestyle perspective. Students had the opportunity to participate in a variety of activities that they can continue to enjoy through out their lives, including curling, skating, bowling and swimming.

Basketball season has just finished up. We had two teams on the go. Thank you to Mrs. Ireland and Mr. Sharman for all of the time dedicated to the teams. I am sure they appreciate it.

As things quiet down on the basketball front, badminton is on the horizon. The grade seven and eight students will have the opportunity to participate in badminton club and compete in the MCSAA badminton tournaments at the end of April.

Running club will be starting up after spring break. Runners from grade 3 and up are welcome to meet on Tuesday and Thursday mornings and head out onto the sidewalks for a run. If the weather is unsuitable we will meet in the gym and enjoy a combination of running and active games to maintain our cardiovascular endurance. Permission forms will be going home just after spring break. Students below grade three are welcome to join if a parent is available to run with them.

That's all for now. If you have any questions or concerns about the Physical Education program, please come by the gym or call me at the school. Take care and stay active!

de la class française

1 année – 2 année

At the beginning of each class, students participate in calendar based routine activities through song, which aid in identifying the days of the week, months of the year, and numbers in French. For the second term students have been learning vocabulary related to the classroom, weather, temperature, colours and the voyageurs.

3 année – 4 année

During the second term, students have been extending their knowledge of the “calendrier” and focused daily on vocabulary related to weather, temperature and graphs. They have also been studying new vocabulary through themes such as: Mon salle de classe, La nourriture, and Les voyageurs.

5 année - 6 année

In grade 5 and 6 this term the students were focusing on the masculine and feminine “le et la” in French class. They expanded their number vocabulary and conjugated the verb vouloir to help write their new year’s resolutions. They explored the vocabulary of “Les voyageurs” through classroom activities, went to the festival du voyageur, and ended with presentations to practice their oral communication skills.

7 année à 8 année

The grade 7 and 8 students continue working towards recognizing masculine, feminine, and plural words using “le, la, and les”, and identifying pronouns “je, tu, il, elle, nous, vous, ils, elles”. They are becoming more familiar with the conjugation of “er” verbs when writing and communicating, and are progressing really well with grammar and sentence structure when writing. Using various reading strategies has also helping the grade 8’s build up their reading comprehension and confidence. Excellent job in term 2!

Field trips and Presentations

The grade 5 and 6 students recently visited the festival du voyageur and had an amazing time. It was a little muddy since the temperature was above zero, but the students had fun none the less. They certainly enjoyed the maple taffy and beaver tail pastries, built mini canoes, and learned more about the voyageur way of life. The students played outdoor games and had the opportunity to purchase some voyageur memorabilia as well. It was a fabulous cultural learning experience!

On March 20th grades 7-8 and 3-4 had the opportunity to cook with our French presenter Christoph from “Fun en français”. Students began working with “la nourriture” vocabulary to prepare for their cooking experience and were very excited to put what they learned to good use. What a treat it was for them to learn, cook and eat all at the same time! Mmmmmm...

Nursery News

We have had a busy but wonderful time in Nursery. They have been working on the alphabet letters in their scrapbooks and have almost completed the letters of the alphabet. The Little Ones have worked hard on learning how to hold a pencil and write their name. We have practiced our scissor skills (yes, it is a skill) and have cut paper, straws and even some of our beaded necklaces in our dress-up area.

They have explored several authors during our 'I Love to Read' month and have had guest readers come in to share their favourite stories. They are learning how to speak in front of the classroom with our 'Show and Tell' program and when it is their turn to be the Special Helper, they give the morning report of how many friends are at school, the weather report and the day's date.

During our 'Morning Meeting' we have learned to listen when someone is speaking, put their hand up when they want to talk and sit criss-cross, applesauce with their hands on their laps. They are able to form a line to walk down the hallway and remember to be quiet so we do not disturb other classrooms.

The Little Ones are learning how to be more independent by getting dressed and undressed by themselves, being responsible for their home folders and putting their shoes in their lockers at the end of the day. They are also learning to clean up after themselves when choice time is over and after snack time. They have also been very conscientious about our recycling program in our classroom.

We are hearing please and thank you when asking for something and sorry if they have hurt someone. They are learning to play and work with others and how to take turns with toys. We sing and dance nearly every day and sometimes just take some time to be silly.

What progress they have made since September and we can't wait to see how much further they will go.

Ms Dona Ludwick and Ms Catherine Zechel

Ukrainian Club

When you learn another language, you are able to get insight into that language's culture. You also get to see your own culture from a new perspective. To be able to connect with another culture – through books, TV, websites and, of course, through conversations, can reap many rewards. You can share your own culture with others in their native language. A new world of connection and understanding will be open to you. Ukrainian Club has been offered for a number of years with a very good student participation. The focal point of the club is to celebrate a vibrant culture. Ukrainians have been part of Canada's cultural mosaic for a century and a quarter.

We started off the year with celebration of foods, Borscht, Varynyky, Kobassa and we made Khrustyky. At present, we are egg writing (pysanky). We are learning to write, speak, and read some simple phrases and numbers that are often used on a daily basis. The classes are held on Tuesdays. Dates for Ukrainian Club will be indicated on the school calendar. There may be cancellations due to meetings, school events or if I am away from school. Whenever possible, parents will be given prior notice about schedule changes. The final class will be held at the mid May. There are some minor fees for the course to off set the cost of teaching materials and supplies. Information was sent home with participating students.

This is a great opportunity to experience the splendors and wonders of a rich culture. If you have any questions, please do not hesitate to inquire, or contact me with any questions.

Терміни для українського клубу буде вказано на шкільному календарі. Там може бути скасування через зустрічей, шкільні заходи або якщо я далеко від школи. Всякий раз, коли це можливо, батьки будуть дані із завчасним повідомленням про зміни в розкладі. Остаточний клас буде проходити в середині травня. Є деякі незначні збори за курсу на встановити вартість навчальних матеріалів і витратних матеріалів. Інформація була відправлена додому з беруть участь студентів.

Це відмінна можливість випробувати пишність і чудеса багатую культурою. Якщо у вас є які-небудь питання, будь ласка, не соромтеся запитати, чи зв'язатися зі мною по будь-яких питань.

Thank You!
Mr. Veryha

Celebration of Catholic Education

All parents are welcome to join us for the Annual Celebration of Catholic Education on Tuesday, April 25th at 7 PM. This year the event is being hosted by St. Boniface Diocesan High School. The evening kicks off with a wine and cheese followed by an opportunity to talk about Catholic Schools in our Archdiocese.

Yearbook Committee

Photography, Photoshopping, page layouts, yearbook themes, design ideas – putting together a yearbook from start to finish is full of tasks that get the creative juices flowing. It's very rewarding for students to have the physical proof to show for all that hard work they put in over the course of the year. When anyone first starts a project, it's easy to get lost in all the details. But being able to look back at the end and see your creation is a great feeling that gives students a strong sense of pride. The yearbook committee consists of students and staff advisors. This project takes an immense amount of work and dedication. Here are some common school yearbook staff or committee roles:

- **Yearbook Adviser:** Manages the overall school yearbook project, including deadlines, budgets and yearbook staff management.
 - **Editor:** Helps establish the style of the yearbook and approves and finalizes yearbook content, including headlines, captions, stories, and selected photos.
 - **Photographers:** Photograph assigned events and record names of those photographed, along with what is occurring in the photograph.
- Writers:** Gather facts and quotes at various school activities, select photos and write copy for pages.

To date we have selected the cover and theme of the yearbook. We finalized student's portraits and names and working on montage pages. The committee is made of up of students from grade 6, 7 and 8 and they are diligent workers that contribute and take part in different roles.

A shout out all students who have committed their time and talents, especially our senior students Alicia and Zenya. We could not do it with out you.

As well, a big thank you to all the staff advisers: Taras Veryha, Kelly Ireland, Alan Beilman and Senior Advisor Marlene van der Zweep

Thank You!

T. Veryha

PALS

PALS appreciates your support and commitment in the various activities held within our school community. As Spring approaches, PALS is once again organizing the Glenlea Fundraiser. Orders forms and information have been sent out. Please consider buying some beautiful flowers, baskets and once again help the school raise some funds.

With the huge success of the PALS wine tasting event in September, we are looking forward to holding this event once again in September. More information will be coming months. We are also looking forward to our end of year BBQ. Forms will be sent out in June for this terrific end of school year event.

I would again like to extend an invitation to all parents interested in joining PALS to join us at a meeting. We are able to make decisions that enhance the lives of our children at the school. Being a member of PALS allows you to hear what is going on at the school, make decisions on how to spend fundraising dollars and spend some quality time with our vice-principal. The meetings are approximately one hour per month and dates are noted on the school calendar. As a new membership initiative, parents who attend PALS meetings can receive credit towards their volunteer incentive hours.

Sherri Poklar
Chair

Student Council

As this Lenten season begins, the students of St. Alphonsus School have been participating in convivial and festive or seasonally themed activities. For some time now, student government has been conducting staff trivial themed questions. Each week a question has been read over the announcements and students have had the opportunity to place their names in the running for fantastic prizes provided by our canteen. Furthermore, we have run multiple successful canteens during lunch hours, and look forward to selling summer inclined snacks like freezies, and ice cream sandwiches for the months of May and June. Student government has also followed through with a promise of the principle of open student council meetings. Once a cycle, the student government will meet with classes five, six, seven, and eight alongside their teachers, to discuss what the students would like to see done currently within the school community. Whether it is within the canteen or an organized event in the foreseeable future, the student government greatly appreciates these submissions from the students! A sock hop and additional canteens are also shaping up when the snow begins to disappear, and the grass begins to peek through the slush! Term three is certainly shaping up to be a fun-filled term here at St. Alphonsus School!

Sincerely,
Paul Houston,
Prime Minister

Social Justice

Dear St. Alphonsus School Community,

The Social Justice Committee has been hard at work this past term! Our focus over the past few months has been on the Bravestone Centre. The Bravestone Centre is a not for profit organization that offers women and their children the opportunity to heal and grow in a cooperative, caring environment with other families who have shared similar experience. Bravestone Centre believes that families must be free from danger to break the cycle of violence. Women and their children are provided with a safe place to live through Bravestone's program. If you would like to learn more about the Bravestone Centre, please visit their website: <http://bravestonecentre.ca/>

Here is what the students involved with the social justice committee have been up to lately... First, a handful of eager volunteers researched information about Bravestone to learn about the organization. Then they shared their information with the Social Justice group. A small group of students have created a digital presentation for classes to view to learn about Bravestone. Please keep an eye on your email, as a link to the information video will be sent to you soon! In addition to learning about the Bravestone Centre, students have been weaving beautiful paracord cross key chains. Please visit the office in April to make a donation of \$10 or more to the Bravestone Centre. As thanks for your donation, you will receive one of the handmade cross key chains! Act quickly though, as the key chains are limited in quantity! If you are interested in supporting the Bravestone Centre, but do not want to make a cash donation, over the month of April you are welcome to drop off any of the new, unused items (to be used by Bravestone Centre families). Please indicate that the items are for the Bravestone Centre.

comforters and sheets (single bed size)
pillows
pots and pans
towels and face cloths
coffee makers
toasters
large roasters (chicken/turkey size)
brooms and dustpans
mops and pails
cleaning supplies

In the near future, the students of Generation Now will be learning about and fundraising for Chalice Canada! We have an exciting plan in the works for this one, so continue to watch for information in your emails!

Generation Now (our committed and brilliant young students of the Social Justice Committee)

GALA XXVIII

Casino Royale

Put the Odds in our Favour

The annual St. Alphonsus Gala Dinner and Dance Fundraiser celebrates
...28 YEARS!

Saturday April 29th, 2017
Fort Garry Hotel and Conference Centre

- Champagne reception with passed hors d'oeuvres
- Delectable 4 course dinner & complimentary bar service
- Incredible display of silent auction prizes & our annual \$1000.00 lottery draw
- Live entertainment & dancing all night long
- Numerous surprises in store

Tickets: \$130.00/person (tax receipt)

Sponsorship information available through the office & school website.
Monthly payment plan available for ticket and/or sponsorship purchases.

ORDER YOUR TICKETS TODAY!

No chocolate bars, cheese, Grey Cup tickets,
or cookie dough sales required!

JUST ONE "GALA EVENT" TO SUPPORT AND ENJOY!

Note: Purchase your tickets or sponsorship before March 23rd to be entered into the Early Bird draw to win a free night's stay at the Fort Garry Hotel!

A Gala table will be set up at Parent Teacher Conferences with forms to order your tickets/sponsorship!

EARLY BIRD SPECIAL

The Easter Vigil ... You want to be there!

The Easter Vigil is an evening of celebration, storytelling, tradition and new life. Not only do we learn about the history of the Catholic faith with its roots in Judaism during this celebration, we also experience it in the most profound way. All our senses are engaged with music, fire lighting, and incensing.

I wish to encourage you to bring your children and as a family, come celebrate this most important event of the year.

The children will have a part in the mass where they will participate in the Jewish Passover tradition of the Haggadah questions. They will also be invited upstairs to the children's liturgy room for the remainder of the readings to learn more about the Exodus story, the upper room at the Last Supper, and of course the Resurrection. Children will be encouraged to stay awake, be engaged, and participate. However, they may bring their pillows and blankets and rest comfortably in their church pews. If they fall asleep, that's fine. At least they will be present with their families and faith community.

After the celebration we are all invited to attend the agape meal in the hall. There will be wine, cheese, and other wonderful goodies. In recent years, the celebration after the Vigil has continued for several hours because nobody including the children wants to leave! Yes, it is that much fun!

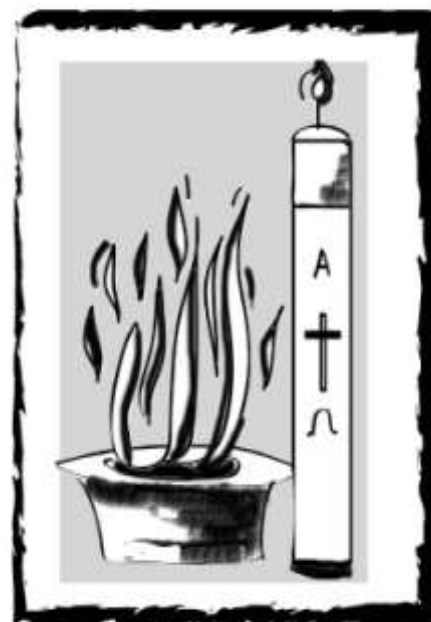

I look forward to celebrating with you and your family at the Easter Vigil this year. The Vigil will begin at 9 pm on Saturday, April 15th.

Many Blessings,

Fr. Janusz

Lenten Coin Boxes

Please bring your Lenten coin boxes to the Holy Thursday mass. If you are not going to be in Winnipeg over Easter, please remember to return your family's Lenten coin box(es) to the school either before break or just after we return. Thank you in advance for your support of the Capuchin Projects in Africa.
