Three day (Mon, Wed, Fri) cost \$140/month

8:30-11:30

No uniforms

Spaces

Our target class size is 25, although most of our classes are full this year, we encourage folks to apply and be put on the list as there is always potential for movement. Our current families have to register by Feb 14, so we will be able to answer space questions more definitively after that date. Naturally, K has space and we anticipate space in grade seven.
