Supplies:

Please follow the supply list as closely as possible. If you have any questions or concerns, feel free to call the school. It is not necessary to purchase new supplies each year. Any supplies from previous years in usable condition are acceptable. All supplies are to be brought on the first or second day of school as indicated below. This will make it easier for students to get organized in the classroom. Supplies not used immediately will be stored at school and dispensed as needed.

Please ensure that all supplies are labeled with the student's name. This includes pencils and pens. It is not necessary to label facial tissue or paper as these are community items.

	Grey gym shirt – purchased from school supplier
	Blue gym shorts – purchased from school supplier
	Gym bag – cloth drawstring bag to hang on a hook
	Appropriate hygiene material – i.e. deodorant

Uniform Reminder

Please label all uniform clothing items so that they are easier to identify in the gym change rooms or lying around the classroom. Please protect your investment. Our lost and found fills up very quickly with shoes and clothing that are often left unclaimed.

A number of students are choosing not to purchase uniform hoodies/fleeces. The classrooms can be quite cool, especially in the spring and fall. The only hoodies/fleeces that students may wear during/between classes are those with the St. Alphonsus logo on the front. Therefore, it is strongly recommended that all students purchase uniform hoodies/fleeces.

Thanks for your time and attention to this list. I am looking forward to working with your child this year. Please do not hesitate to contact me if you have any questions or concerns.

Sincerely,

Jennifer Pieczonka
