

The Volunteer Incentive Program 2019/2020

The Volunteer Incentive Program is an integral part of the workings and promoting community of St. Alphonsus School. The program has helped reduce rising costs by generating extra revenue for the school. This revenue supplements the tuition and grant money we receive for each student.

Parents have indicated their preferences through the online registration. Parents will be contacted by phone, through letters or in the school newsletter when their assistance is required for a particular activity.

The Volunteer Incentive Program for the upcoming school year **begins July 1, 2019** and **ends June 30, 2020**. Families are requested to work a minimum of 30 hours per school year. A form will be sent home with current families in June 2019. This form is used to obtain signatures from committee heads verifying hours worked. Please remember there is no December deadline for the first 15 hours. However, all hours must be submitted by June 30th, 2020.

The Volunteer Incentive Program operates as follows:

1. \$475.00 is submitted to St. Alphonsus School Inc. with the completed registration package.
2. Upon the completion of 15 hours the signed volunteer incentive form is submitted to the office and \$237.50 is reimbursed to the family.
3. Upon the completion of an additional 15 hours the signed volunteer incentive form is submitted to the office and the remaining \$237.50 is reimbursed to the family.
4. Upon completion of an additional 20 hours of volunteer time (50 hours in total), a further \$50.00 will be rebated on a per family basis. This additional time is optional.
5. No amounts will be reimbursed unless a completed Volunteer Incentive Form is submitted to the office.

Please call the school office at 204-667-6271 if you have any questions regarding the program.

Sincerely,

St. Alphonsus School Board
