Supplies

Please follow the supply list as closely as possible. If you have any questions or concerns, feel free to call the school. It is not necessary to purchase brand new supplies each year. Any supplies from previous years in usable condition are acceptable. They are to be brought on the first day of school.

It is crucial that all supplies are labeled with the student's name. This includes pencils and pens. It is not necessary to label facial tissue or paper as these are community items.

Uniform reminder

Please label all uniform clothing items so they are easier to identify in the gym change rooms or lying around the classroom. Please protect your investment. Our lost and found fills up very quickly with shoes and clothing that are often left unclaimed.

A number of students are choosing not to purchase uniform hoodies/ fleeces/cardigans. The classrooms can be quite cool, especially in the spring and fall. The only hoodies that students can wear during/between classes are those with the St. Alphonsus logo on the front. Therefore, it is strongly recommended that all student purchase uniform hoodies.

Sincerely,

Mr. Veryha
